ANNUAL MEETING OF LITTLE THEATRE HELD MONDAY

The annual meeting with election of officers was held Monday at the Bay St. Louis Little Theatre.

Philip Allison was re-elected to serve as president of the organization with the following members of the Board: Dr. Walter Russo, Vice-President; James McDonald, Business Manager; Mrs. Jane Wiggins, Secretary; Mr. Herbert Wise, Treasurer; Gary Taylor, Production Chairman; Mrs. C. D. Blair, Technical Director; Mrs. Ruth Luderbach, Stage Manager.

A minimum of four plays will be given during the 1957 season which will open with an early spring presentation.

Voting by members present resulted in "The Rainmaker" directed by Mrs. C. D. Blair the outstanding play of the 1956 season. A highlight of the evening was the burning of the mortgage on the building, and the announcement by the treasurer of a substantial sum in the bank to plan future improvements for the building.

SUPREME FOREST WOODMEN CIRCLE HOSTS DIST. MEETING

The Supreme Forest Woodmen Circle Pine Grove 187 hosted the Coast District meeting held Thursday, Nov. 29 at the Knights of Columbus Hall.

Guests included Mrs. Mary Boggs, National Attendant and State Manager of Meridian; Mrs. Lessey Brent, Biloxi, District Manager; Mrs. Mary Lizani, Biloxi, State Captain of Drill Team; Mrs. Tina Spahn and Mrs. Rosalia Bonneau, New Orleans.

Mrs. Brent presided at the meeting in the absence of Mrs. Dora Gilly. Welcoming address were given by Mayor John Seafide and Mrs. Anna Palmisano.

Reverend John Robinson, Assistant of Our Lady of the Gulf Church offered the invocation.

Mrs. Boggs, principal speaker pointed out the excellent work done by the S. F. W. Circle during the 66 years it has been in existence.

All phases of ritualistic work was exemplified with the "Lizani Guards" Drill Team of Biloxi assisting.

Luncheon at the Reed Hotel followed the morning business meeting. Mrs. Brent and Mrs. Palmisano presented gifts to each guest.

STATE HIGHWAY PATROL - K. C. GAME A SUCCESS

Crowds who attended the charity basketball game last Thursday evening played at S. J. A. gym between members of the State Highway Patrol and the local K. C. members were thrilled all during the game.

The K. C. boys came out victorious with a score of 33 against 28 for the men of the patrol. The game was closely played throughout with competition keen between the rival players.

High scorer for the game was Wesley Hays who totaled 19 points to his credit.

Bill Kenny, instigator of the game was first man to score. A member of the Highway Patrol Bill was divided between two loves, as he is also a member of the K. C. organization. He played with his fellow patrolmen.

The game was well covered by the State with a special representative from the Highway Patrol George Metz, from Jackson, snapping action shots all during the game, and giving widespread write-ups in many newspapers throughout the state, and in the State magazine.

Bay St. Louis and the county is indebted to the men of the patrol who played in this game, and to State Commissioner Tom Scarborough for his generosity in granting permission for them to play. Tired as they must have been, everyone of them had to be in Jackson the next morning to ready themselves for the traffic problem of last Saturday's football game between Miss. State and Ole Miss. There is no rest for the weary.

The K. C. men were in excellent form and did themselves proud in winning the game. Referees were Reuben Ruiz and Ernest Smith coaches from St. Stanislaus.

The K. C. organization wishes to express their thanks publicly

COAST ELECTRIC ADDS MUCH TO COUNTY'S ECONOMY

Employing 43 people, operating a fleet of 15 vehicles and purchasing all of their power locally, Coast Electric adds much to the economy of the tri-county area it serves.

Coast Electric's payroll of approximately \$153,000 annually is to local employees. Purchasing all of its supplies possible locally, considerable other business is created.

It has been conservatively estimated that for each dollar invested in electric line facilities there are five dollars invested in house wiring, appliances and electric equipment. The bulk of this business remains at home, so again the existence of the local REA Associations makes for more business.

One item alone, poles, represents quite an investment and ALL of it locally. The approximately 1730 miles of line operated by Coast Electric has meant the use of 24220 poles of various sizes. The cost of these average \$14.00 each. This means that Coast Electric has purchased some \$340,000 more than one third million dollars worth - of creosoted poles and EVERY ONE OF THESE were purchased in the area that Coast Electric serves, from plants located at Gulfport and Poycune.

The replacement of these poles goes on all the time, so the business continues.

All of the power that Coast Electric distributes is purchased from the Mississippi Power Company. Delivered to Coast Electric owned regulator stations at Poplarville and Poycune, at Coast Electric owned substations at Biloxi and Bay St. Louis, and at a metering point near Gulfport, the local REA Association purchases approximately 18,612,000 KWH at a cost of some \$121,000 annually.

Other purchasing and service are kept local whenever and where possible. Transportation equipment, office and operating supplies, gasoline, etc., all are purchased locally.

Excellent entertainment was provided during the half of the game by students of the Jacqueline Hines dancing class. This was the second appearance of these talented young people in Bay St. Louis and they really staged a great show. The audience including players regretted the buzz announcing the beginning of the second half of the game and the ending of the entertainment. In addition to the marvelous tumbling troupe of small fry, who have won national acclaim with their act, there were a number of dancing and vocal acts. Older girls, quite as good as many professionals, added to the glamour of the acts.

The young people were accompanied by their regular musicians teachers from the school and many parents from the other side of the coast. Again the K. C. organization extends thanks to this group publicly through this medium in assisting such a worthy cause.

All roads will lead to Bay St. Louis Saturday, when Coast Electric members from Hancock, Harrison and Pearl River Counties come to attend Coast Electric's Members Meeting.

The meeting will start at 9:30 a. m. and continue throughout the day. A two hour break from 11:30 a. m. until 1:30 p. m. will allow those in attendance to visit the establishment of the Bay St. Louis merchants to shop for the REA DAY SPECIALS most merchants will offer, and to get their tickets for chances on the REA COLOR TV SET that will be given away Saturday evening at 8:00 o'clock.

On the agenda of Coast Electric's meeting are reports of last year's business, an address by Mississippi Secretary of State, Heber Lader, and the election of directors for the ensuing year. Throughout the day there will be prize awards, and at the close of the meeting, the awarding of the Grand Prize - a beautiful General Electric Range.

Music will be played by THE COUNTRY PLAYBOYS, featuring as their guest star, Jim Owens, popular entertainer and disc jockey now at Radio Station WDBB, Gulfport.

Coast Electric's meeting is scheduled to adjourn about 4:30 p. m. At 6:00 p. m. the doors of the Gym will be opened to the public for "OPEN HOUSE" the Electrical Appliance and Equipment Exhibit will be extended for this OPEN HOUSE. There will be music, the awarding of prizes and finally, the drawing for the REA COLOR TV SET.

REA DAY promises to be "quite a day!"

SPAGHETTI DINNER AT BAY HIGH SCHOOL FOR REA DAY

60c will purchase a home cooked meat ball and spaghetti dinner complete with drink and rolls at the cafeteria of Bay High School Saturday, Dec. 8, from 11 a. m. to 1:00 p. m.

In conjunction with the many bargains being offered by the merchants of town, the P. T. A. women of Bay High School will serve the dinner as feature of R. E. A. Day and Community Bazaar Days.

The meal will be excellently cooked and the women will be working hard to assure competent service during the hours of the dinner. They ask all persons to patronize the school cafeteria on this day. Each year the P. T. A. of Bay High School works with the R. E. A. on a project to raise funds to assist the school in providing extra materials to benefit students.

The monthly meeting for December of the PTA Organization will be held at 8 p. m. Tuesday, December 11, in the school auditorium. A meeting of the Executive Board will precede the membership meeting and will be called to order at 7:30 p. m.

SJA PARENTS CLUB MEETING HELD TUESDAY

The December meeting of S. J. A. Parents Club was held Tuesday afternoon in the library of the school.

A meeting of the Executive Board preceded the membership meeting.

The seventh grade taught by Mrs. Grissell was winner of the attendance prize and Mrs. Jos. Plunkett was awarded the entrance prize.

Usual routine business was conducted with Mrs. Frank Kiefer presiding.

Hostesses for the afternoon included Mrs. Curtis Matherne, Mrs. Frank Smith, and Mrs. Maurice Artigues who served refreshments following the business session.

The January meeting date will be announced through the medium of this newspaper, but will not be held on the first Tuesday of the month, regular scheduled meeting date.

Regular Monthly Meeting OF WBA Held Monday Night

Regular monthly business meeting of W. B. A. Review No. 30 met at the home of Mrs. John Deamborne Monday night at 8 o'clock with 10 members present. Plans were discussed for the next meeting in January, when another interesting gift drawing will be held. The meeting was held at the home of Mrs. John Deamborne.

Photo above shows part of the numerous awards that will be given away by the Coast Electric Power Association to their visiting members at their annual meeting to be held Saturday, December 8th, at Bay High School. This display is in the front window of the REA Building.

COUNTY AGENT'S NOTES

BY HOWARD F. HARRISON
Harrison County Agent

ENTOMOLOGY SEMINAR

Interested in the use of phosphate insecticides? Plan to use some of them on your farm next year.

TREE SEEDLINGS

You who are planning to set out some pine seedlings this winter should make your plans now. Figure out where to put them and when to do it. Don't wait until the seedlings arrive before deciding what to do with them.

The success of a pine plantation depends on treatment the seedlings will get from the time they are lifted from the nursery to the time they are planted on your farm. Be on hand when the seedlings

are going to plant them. A week after you get them you may leave them in bundles, but do not stack bundles on top of one another as this causes heating and will damage the seedlings. If you are going to hold them more than a week, take them out of bundles and heel them in.

Before the seedlings arrive have your tools ready. Have labor committed. Plant when soil is moist. Do not plant when ground is frozen. A minimum standard survival should be 65 percent, but you should "shoot for" a 100 percent survival.

WHAT ABOUT CATTLE GRUB?

A conservative estimate shows that the loss of cattle from cattle grub infestation is in excess of one hundred million dollars a year.

You and your neighbors can do a lot to reduce this damage. See your county agent about organizing a community-wide cattle grub control program.

ORCHARDS

Now is the time to order your fruit nursery stock for planting.

SALE OF TIMBER

Sealed bids will be received until ten o'clock, A. M. on Tuesday, the 18th day of December, 1956, for all of the pine timber and trees measuring not less than 8 inches in diameter 8 inches above the ground on the land belonging to Mrs. Victoria Spewich Bourg, in the following described lands:

In Hancock County, Mississippi
The Northwest Quarter of Section 36,
Township 7, South of Range 14 West.

Successful bidder to file cashier's check payable to the undersigned in the amount of five per cent (5%) of bid, executed by a bank in Mississippi, to guarantee performance of bid, which will be returned if bid is rejected and will be credited on bid price if bid is accepted, and which will be forfeited to owner as liquidated damages in event of failure of bidder to carry out terms of bid. Bid to state time required to remove timber and trees.

Successful bidder will have 20 days after notification of acceptance of his bid to sign contract and pay balance of amount of bid.

Sealed bids shall be delivered or mailed to Lucien M. Cox, Attorney at Law, Bay St. Louis, Mississippi, with above mentioned check on or before the above date, or delivered to him on or before said time and date.

Bids will be opened at ten o'clock, A. M. in the office of Hancock Bank at Gulfport, Mississippi, on December 18, 1956. The undersigned to have 12 days to decide on acceptance of bid.

The undersigned reserves the right to reject any or all bids.

MRS. VICTORIA SPEWICH BOURG

NOTE: Your attention is called to another advertisement of sale of timber, belonging to the estate of Clemence Faye, which sale is an entirely separate and distinct sale.

For several years, the roots of pine and other trees are going to plant them. A week after you get them you may leave them in bundles, but do not stack bundles on top of one another as this causes heating and will damage the seedlings. If you are going to hold them more than a week, take them out of bundles and heel them in.

That's all the time it takes to fall in love with Ford's speaker V-8 power, its smooth as velvet ride, its cooler-than-oven-baking

Love at first sight! That's the case with thousands of folks all over America. And why not? Those Ford Custom models are over 16 distinguished feet long. And those lower, longer, sleeker lines! No wonder Ford's years-ahead styling sweeps you right off your feet.

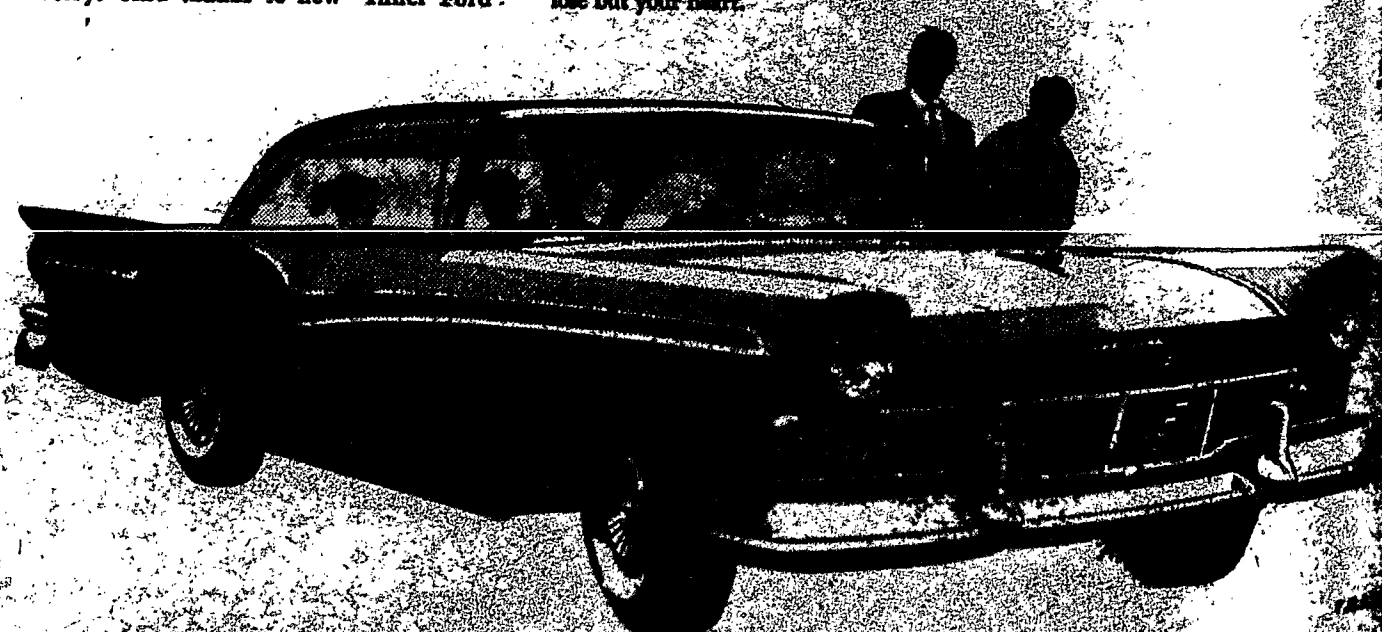

But if you aren't sold on looks alone, remember Ford's beauty is more than skin-deep. And a 5-minute Action Test will prove it. Inside you'll find oceans of space to stretch out in. Breath-taking color schemes. Luxurious upholstery. And thanks to new "Inner Ford"

advances, you'll discover the smoothest riding, easiest handling low-priced car ever.

And of course, you'll find new, snappier power to go with Ford's out-of-this-world ride. It's the same exact brand of get-up-and-go that powered the '57 Ford to 458 national and international power-endurance records at Bonneville Salt Flats, Utah. And there's more of this skeddadle right through Ford's entire V-8 and Six lines. What's more, with a whole host of engineering advances, you can expect traditional Ford economy at its finest.

You bet! 5 minutes in the new kind of Ford and you'll want to drive it home. Why not visit your Ford Dealer today? You have nothing to lose but your heart.

4-H Electric Program
 The 4-H Club electric projects and the resultant application of electricity to farm tasks have played a major role in the increased use of electricity on the farm. Rex L. Brown, Chairman of the Mississippi Power & Light Company's board of directors, told delegates to the National 4-H Club Congress that through the 4-H program, he is helping to build a firm foundation for the future. Mississippi's 4-H Club project winners in attendance at the National Congress as representatives of their State and are eligible to participate in the awards to be made throughout the four-day meeting.

State Winners in 4-H Electric Program
 "You are the foundation on which our country will continue to grow and prosper with spirit, skill and material," he explained. "We in the electric industry and in every other industry which has the privilege of co-operating with the 4-H Club program know that through you we are helping to build a firm foundation for the future." Mississippi's 4-H Club project winners in attendance at the National Congress as representatives of their State and are eligible to participate in the awards to be made throughout the four-day meeting.

 Like a forest fire itself, though with reverse effect, the forest fire protection system of the Mississippi Forestry Commission is spreading into every section of the State. Destructive blazes, raging over the freshly harvested timberland in the early 1900's was one of the prime reasons for the creation of a State forestry program. But in many counties, where numerous woods fires claimed their annual and astounding toll, the forest fire fighters from the Mississippi Forestry Commission have reduced that damage greatly.

25 Quota For Red Cross Chapter For Relief For Hungary

Hancock County's American Red Cross Chapter sounded an urgent call this week to the people of this area to help provide funds for the relief of the suffering people of Hungary. The chapter's minimum goal is \$235, as part of the five million dollar national goal, announced by the National President E. Roland Harrison.

In a message to the local chapter this week, Mr. Harrison said: "The tragic suffering of the people of Hungary has caused every American to want to send help. This help has gone from the American Red Cross and we have been joined by other Red Cross societies throughout the world in rushing medical supplies, food, blankets and other necessities to the stricken area."

"The Red Cross is the international agency that is now moving supplies into Hungary and supervising their distribution."

"As refugees poured into Austria by the thousands the Austrian government turned to the Red Cross to assume responsibility for the refugees. It is reported that more than 38,000 refugees have already crossed over the Hungarian border and daily additional numbers pour into Austria."

"The needs continue to mount in Hungary as well as among the refugees who have escaped. The Red Cross must have additional funds to help meet the increasing need for food, medical supplies, clothing and other essentials."

"Americans everywhere will want to play their part through the Red Cross in assisting Hungarian refugees."

"Donors may mail or take their contributions directly to the local Red Cross office, Courthouse, Bay St. Louis."

American Legion AUXILIARY NOTES

The Mid-Winter Conference of American Legion Auxiliary held at Meridian, Miss., November 24 and 25 was attended by Mrs. Russell Elliott, representative of the Hancock County Unit 139.

Greetings were extended by the State Officials of the American Legion State Commander, Jack Pace of Magee, Miss. and Adjutant Frank Chambers.

Mrs. Jerry Oakley, Crowley La., the National Vice President of the Southern Division touched on each of the programs outlined by National Headquarters in her address to the ladies.

Miss Patricia Skinner of Piquette, Miss. is the beneficiary of the nurses training scholarship that is offered this year by the Auxiliary.

Mrs. Russell Elliott, Bay St. Louis, State Community Service Chairman stated that community service is the phase of the American Legion Auxiliary program that has been selected by the National President, Mrs. Carl W. Zeller as the basis of her entire program for the administrative year 1956-57.

Mrs. Elliott reported that the Bay St. Louis unit received much praise from the State Officials for the work we are doing in all phases of the scheduled programs particularly for our Junior activities program. Our junior members held their first election of officers last month and have set a regular monthly meeting date. Bay St. Louis received second place honor in the state for reaching their quota by Nov. 11th in the 150-175 group.

Our unit was also presented with a "Travel Prize" for having the most members and mileage to the District 9 Conference held in Hattiesburg recently.

AMERICAN LEGION AUXILIARY UNIT 139

Bay St. Louis American Legion Auxiliary Unit 139 was hosts to the State Officers at the Auxiliary's reception held in the Bay St. Louis Hotel Monday night.

Mrs. J. O. Romanoff, President of the local unit, introduced Mrs. J. O. Romanoff, State President, Mrs. J. O. Porter, State Vice President, of McCall's Creek, Miss.; Mrs. T. K. Webb, State Secretary and Treasurer, of Jackson, Miss.; Mrs. W. F. Piert, State Rehabilitation chairman of Biloxi; Mrs. Russell Elliott, State Community Service Chairman of Bay St. Louis; Mrs. Harold Hale, President of District 9, Hattiesburg; Mrs. Claiborne Ladner, Vice President of District 9, Bay St. Louis. Each of the ladies gave a short talk about their particular work in the Auxiliary.

Alternating at the punch bowl were Mrs. Robert Fayard, Mrs. Guy Bufkin. The tables were decorated with greenery and lighted tapers. Egg-nog was served with canapés and tiny cakes.

Those attending from the local unit were: Mesdames G. C. Romanoff, President; Albert Biehl, Sr. Felix Seeger, Roger Benlike, Lucas Pucheu, Bert Estapa, Rene Bernand, Sr., Don Ziegler, Mrs. Theodore Thomas, Gilbert Gay, Claiborne Ladner, Russell Elliott, Robert Fayard, Guy Bufkin.

ing their quota by Nov. 11th in the 150-175 group.

Our unit was also presented with a "Travel Prize" for having the most members and mileage to the District 9 Conference held in Hattiesburg recently.

TELEVISION SET

There will not be the usual restrictions on eligibility for winning the \$500 RCA COLOR TV SET that will be given away READAY, Saturday, December 8th. The Retail Merchants Committee of the Hancock County C. of C. sponsors of the promotion, first planned to exclude the families and employees of the participating merchants from the drawing. As the list of participants grew, it was realized that to exclude families and employees of the participating firms would be unfair, because it would deprive SO MANY of a chance to win.

Therefore, it was decided that EVERYONE would be declared eligible. The drawing will be held on the platform in the Bay High Gymnasium at 8:00 p. m., Saturday, December 8th, in the presence of all that attend. Someone is going to win—it might be you?
